# PLEASE WASH YOUR HANDS

**This will take 20 seconds.** Don't get caught with dirty hands. Do the clean hand jive. If you could see the germs, you'd wash your hands. Keep your germs to yourself, wash your hands! Thanks for keeping your germ-infested hands away from my customers' food. Wash your hands, you know where they have been! Hand washing, because Hepatitis and Ecoli are not fun. Well, now you have read all the other hand washing signs ever made and in the exact amount of time the Health Department requires you to spend on washing your hands. Impress your local Health Department Inspector.
