Puro Azul®

Limpiador de Vidrios y Superficies

CERTIFIED WOMAN OWNED™

OrganiClean All Surface

Spray & Wipe Cleaner RTU

This product is the fastest, most effective glass cleaner ever made. Nothing works better! This product is a synergistic blend of surfactant and detergent, fortified with alcohol; perfect for light and general cleaning on any surface. This product is especially effective against lipstick, soap scum and greasy handprints on mirrors and glass surfaces. Use for food service display cases and counters, quickly cleans food spills, greases and other difficult soils. Streak free and film free, this product leaves surfaces shining. This product is strong…fast…and effective guaranteed.

DIRECTIONS

Read entire container label before using this product.

- Spray or mist product on the area to be cleaned.
- Use a clean dry absorbent wipe/towel to wipe surface dry.
- Wipe quickly before surfaces dry, allowing you to capture all the soil with a clean streak/film free surface.

When cleaning counters and display cases: Apply liberally. Use absorbent towels to wipe the surface dry.

Hope.

There is no greater power on this planet than the hope and will of the mother. We mothers do it all. Often it's without a "Thanks Mom!". We also do our share of worrying. Worrying that our kids are happy and have educational opportunities to achieve their dreams. That is our greatest legacy in teaching our kids to never… never…ever…lose hope.

Education.

PuroAzul understands the power of Hope and Education. That's why every time you purchase any of our products, we will provide well-needed money to your kid's local school. Just clip the coupon on this label and follow the rules and instructions at www.Cash4KidsEducation.org. And ... thanks Mom!
