

Provence French Lilac Laundry Detergent

This detergent is perfect for use in various manually dispensed laundry systems designed to assist in removing tough ground in soils and to condition hard water for thorough cleaning in all water conditions.

DIRECTIONS

Read entire container label before using this product.

Top-loading washers: Use $\frac{3}{4}$ to 1 cup per load.

Front-loading washers: Use $\frac{1}{2}$ cup per load.

Washer-dryer combinations: Use $\frac{3}{4}$ cup per load.

Spinner or wringer machines: Use 1 cup for first load.

Additionally: Use $\frac{1}{3}$ cup or more each time water is reused.

Exceptionally soiled garments such as over-alls, uniforms, etc.: Presoak 1-2 hours if possible. Under severe conditions: Increase the amount used per load by $\frac{1}{3}$ to $\frac{1}{2}$ the regular specified quantity.

Hope.

There is no greater power on this planet than the hope and will of the mother. We mothers do it all. Often it's without a "Thanks Mom!". We also do our share of worrying. Worrying that our kids are happy and have educational opportunities to achieve their dreams. That is our greatest legacy in teaching our kids to never... never...ever...lose hope.

Education.

PuroAzul understands the power of Hope and Education. That's why every time you purchase any of our products, we will provide well-needed money to your kid's local school. Just clip the coupon on this label and follow the rules and instructions at www.Cash4KidsEducation.org. And ... thanks Mom!
