Ravage Spot Spray

Natural Spot & Stain Remover

This product is Mother Nature's first assistant in attacking common carpet spots and stains caused by foods, grease, vomit, urine, blood, oil, pet stains, etc. This natural and biodegradable bioenzymatic cleaner contains a selection of specialized natural bacterial strains and chemical cleaners specifically designed for use on carpets, rugs, and floor mats.

DIRECTIONS

Read entire product label before using this product.

1. Spray product liberally to spot or stained area.
2. Allow to soak for several minutes. If organic material is dried or caked on, allow to soak up to 20 minutes.
3. Use a stiff bristle carpet spotter brush to agitate area. Spray more product if necessary.
4. Using a paper towel or rag, blot area. Reapply product if necessary.
5. Simply allow to air dry.
6. If spot persists, we recommend using a peroxide-based spray like St. Anne's Stain Remover. (Item #: AZ-039102R).

Hope.

There is no greater power on this planet than the hope and will of the mother. We mothers do it all. Often it's without a "Thanks Mom!". We also do our share of worrying. Worrying that our kids are happy and have educational opportunities to achieve their dreams. That is our greatest legacy in teaching our kids to never… never…ever…lose hope.

Education.

PuroAzul understands the power of Hope and Education. That's why every time you purchase any of our products, we will provide well-needed money to your kid's local school. Just clip the coupon on this label and follow the rules and instructions at www.Cash4KidsEducation.org. And … thanks Mom!
